All,

I represent NorCell, Inc., ballot id is 182353801041968. I am contacting you as you contacted one of my other clients concerning the December 13th status conference (I telephonically appeared at that conference) which resulted in the extended reconciliation deadline and will also result in a revised list of initial distribution recipients. I am writing to request that NorCell be added to that list with respect to claim 4747 and its \$174,378.38 503(b)(9) portion.

Attached is the confirmation of the opt-in ballot that NorCell filed on November 25, 2019, prior to the expiration of the extended deadline to opt-in. In response to a request for information on November 8th, I provided the attached requested information on November 8th (see attached) and was subsequently informed on November 13th that the amount was confirmed by M-III and the claim was reconciled (see attached). As such, I believe this claim should be added to the initial distribution list.

Please advise.

Thank you.
-Ed
